CLERK: 27 ayes, Mr. President.

PRESIDENT: Motion carries. LB 486.

CLERK: Read title.

SENATOR LUEDTKE: I yield to Senator Schmit on the bill.

PRESIDENT: Senator Schmit.

SENATOR SCHMIT: Mr. President, members of the Legislature, this is a Judiciary Committee bill. The bill provides that those persons who have been found guilty of a violation of the controlled substances act be placed under the treatment of the Community Health Center rather than the Department of Health. The Department of Health has not been able to provide adequate service outstate. The Community Health Centers, hopefully, can do this. That's simply what the bill does. It's a bill which is needed very much to follow up on the other programs we have instituted for the treatment of drug offenders. I move the bill be advanced.

PRESIDENT: Any further discussion? The question is the advancement of the bill. Record your vote. Please vote. Record.

CLERK: 27 ayes.

PRESIDENT: The bill is advanced.
